IT SOLUTION

IT SYSTEM (PMS, ERP, PURCHASE)

ONLINE CREW TRAINING PROGRAM

SYSTEM MAINTENANCE

RESEACH & DEVELOPMENT

KSS IT LAYOUT

1. Planned Maintenance System (PMS)
2. Supply Management Program
3. Crew Education Management
4. Vessel Expense Management System

PMS

The screenshot displays the PMS interface with a 'JOB / SUB JOB ENTRY' header. It includes a 'Job Selection' sidebar with various filters and a main 'PMS Job List' table. The table columns include Job No., Job Name, Start Date, End Date, and Status. The interface is designed for managing maintenance tasks across different vessels.

PURCHASE/REPAIR

The screenshot shows the 'Order List' interface. It features a search bar and a table with columns for Ship Name, Order No., Order Date, and Amount. The table lists various purchase orders, including details like 'Ship Name', 'Order No.', 'Order Date', and 'Amount'.

CREW TRAINING

The screenshot displays the 'Certificate of Completion' interface. It shows a certificate for a training course. The certificate includes the ship name, course name, date of birth, and date of issue. The interface is designed for managing crew training records and issuing certificates.
